# WELCOME TO WESTLAKE

---

Thank you for taking the time to visit Westlake Christian Academy. We are so pleased that you have come to find out more about our school. Our desire is to partner with you in the discipleship of your children.

As one of the few Christian schools in the area, we are passionate about training our students to love and follow Jesus. At the same time, we place a high value on academic rigor and 21st century skills. We want our graduates to be well-equipped to engage with the culture and impact the world.

If this is the type of education you are pursuing for your children, then I hope you will begin the application process now.

With eternity in mind,  
Laura DeReus

## Our Mission

To provide for Christian families a Christ-centered education that disciples our students to honor Jesus Christ in thought, word, and deed.

## Our Vision

Every student a disciple of Jesus Christ.

# MEET WESTLAKE

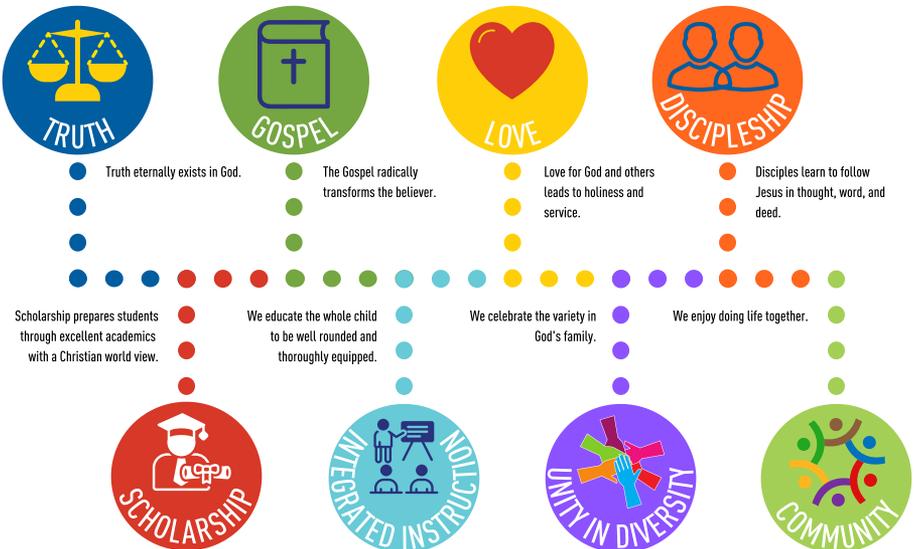

Westlake offers a rigorous academic program that provides students with a radically different definition of the good life.

We are all about discipling students so that they are prepared to serve God and others.

By presenting all material from a biblical perspective and offering a wide variety of service learning opportunities, we hope to lead students into a deeper love for God, a spirit of compassion, and a faith that they can defend.

## Our Core Values

A group of young children in school uniforms standing in a line in a classroom. The children are of various ethnicities and are looking towards the right. The background shows a brick wall and a whiteboard.

# TO PROVIDE FOR CHRISTIAN FAMILIES

## **"THANK YOU . . . THANK YOU SO MUCH!"**

It was the back-to-school Curriculum Night, and Mrs. Okebe drew me outside where it was quieter. The look on her face was pure joy. "I want you to know how blessed we are," she told me, "that our children can return to this place. When we applied for the school's help, little did we imagine that you would be so generous with us. Now our little boy and girl will know the truth."

Her beautiful smile was radiant, and I saw moisture in her eyes as she spoke. The Okebes had been with Westlake for a year, having immigrated into the area from Nigeria. Their Christian faith was deep and they were determined that their children would be taught God's ways. They had found a welcome community for their children in the wonderfully diverse student body of this school.

This story can only be told because of the many people who continue to make Westlake what it is: a school dedicated to discipling children for the glory of God.

# A CHRIST-CENTERED EDUCATION

## **SINCE I GRADUATED WESTLAKE,**

I moved across the country to go to school in Arizona. I have found an amazing church, that encourages me, helps me to grow in my faith, and go with me to evangelize in the community. I have since realized something wonderful that the Lord was doing for me without me even knowing.

While attending Westlake from 5th through 12th grade, we memorized Bible verses every week. I remember sometimes it was awesome and other times I wondered why we even needed so much of it. God now uses verses I have memorized throughout the years in conversations, verses I never thought I remembered, to serve Him.

My other Christian friends have told me how encouraged and surprised they are at the scriptural knowledge I have. This is really encouraging, but I have to give that credit to the Lord for placing me at Westlake, where I was taught and challenged in theology, apologetics, and my worldview altogether. Though, as a kid and a teenager I may not have fully gotten it and taken it to heart, the Lord was using what Westlake taught me then, to prepare me for now.

# ELEMENTARY 1ST - 6TH GRADE

Our elementary faculty and staff have worked diligently to create a safe, nurturing environment where every child is encouraged to grow both academically and spiritually. Children receive rigorous instruction in reading, math, and the sciences, as well as opportunities to explore music and the arts. By teaching within the context of a Christian worldview, we inspire children of all ages to become disciples of Jesus Christ in thought, word, and deed.

# THAT DISCIPLES OUR STUDENTS

## **"THE AMERICAN CULTURE**

is saturated with messages of materialism, relativism, and self-promotion. At Westlake, we are committed to telling a different story," Principal Laura DeReus explains. "As it becomes increasingly difficult to train children to honor God in both their thoughts and actions, we are offering an excellent academic program that disciplines our students to honor Jesus Christ in thought, word, and deed.

We believe in educating the whole child, so we offer a well-rounded curriculum that addresses academic, social, physical, emotional, and spiritual needs. Our classes are taught using research-based best practices. We integrate service-learning opportunities into our academic curriculum to help our students begin to think beyond themselves.

Our teachers are well-trained and spiritually mature. Our students are loved and challenged to do their best in all areas. We offer a wide variety of fine arts and athletic opportunities, as well as support services as needed. We desire to partner with parents to educate their children and prepare them to become servant leaders."

**"WESTLAKE HAS TAUGHT ME**

three very important things: family, friends, and faith," recounts twenty-two graduate Abigail Taylor .

"If you were to ask any Westlake student to describe our school, they would say that we are a family. We all care for each other, support each other, and love one another. Our teachers really care about each student and want to see them succeed in life and grow in their faith.

Westlake has taught me what it means to be a good friend, one that is a listener, kind, forgiving, trusting, and loyal. When I was in elementary school I would watch the way the high schoolers interacted with each other and they were good role models for me. I learned what friendship meant by watching them.

Finally, Westlake has taught me about faith. We start the day in prayer and have many opportunities to discuss faith questions in all our classes. This has helped me grow as a Christian and has helped me make my faith my own rather than my parents. Westlake has shown me how to follow in Christ's footsteps."

# VARIABLE TUITION

At Westlake Christian Academy, we strive to make education available to families who value a strong academic education that is rooted in Christ, regardless of the family's ability to pay. To help families with the cost of education, WCA offers a Variable Tuition program.

We match your tuition rate to your family's unique financial position so that tuition at Westlake is not a one size fits all, it's a range. This program is optional for each family.

Please see our website or contact our school office for more information on how to apply for Variable Tuition.
